

# Christ you bore the Cross

Words and Music by Dan Wallis

Capo 2 (for Key of E)

Started 29.12.10 Finished 21.01.11

## Refrain

D

Greater love has no man

G

Than to lay down His life

Bm

You endured the wrath of God

F#

For the Church your wife

D

01 Christ you bore the cross

02 Your footsteps lead me on

03 I'm covered in your blood

04 Lord, I no longer live

05 To see things as you see

C

01 Help me endure the same

02 To climb the bloody hill

03 My God declares me free

04 My flesh I put to death

05 To do what you would do

D

01 To seek the sufferings of my Lord

02 So take my shoulder Lord

03 Announcing "It is finished"

04 For Christ you live in me

05 Transform my selfish life

C

01 Not money, power or fame  
02 And place it where you will  
03 I ask "How can it be?"  
04 You are my only breath  
05 O God, my mind renew

D

01 My cross I choose to take  
02 When seen before the cross  
03 Your thorn-crown bloodied head  
04 Decide for me my cross  
05 When tempted to give up

A

01 Thru paths of day and night  
02 This world is less than smoke  
03 Your metal shredded skin  
04 I dare not choose my own  
05 O Lord my self-life tame

Bm

01 It is my load to bear  
02 It is my load to bear  
03 Blood pouring from your wounds  
04 Appoint and ready it  
05 Not for the gold of earth

G

A

C

01 It is your burden light  
02 It is your easy yoke  
03 Has covered all my sin  
04 To lead me to my crown  
05 Would I exchange your shame
